\*We have been working hard to enhance the features and functionalities of The Art Institute libraries, and the result is a solution that promises to provide easier and more efficient access to academic resources through the following upgrades.

- **Simplified sign-in process** – Access the Library via the student portal Library link from the main menu with no additional login required.
- **Automatic login to databases** – Browse most databases directly from the Library, no separate user names and passwords needed.
- **Unified search engine** – Search combinations of multiple library resources simultaneously with our new discovery and federated search tool, [Quick Search](#).
- **Targeted Subject Resources** – Easily locate resources best suited to areas of study.
- **Voyager Database** – Materials can be searched across all Art Institutes or by individual campus.
- **Targeted, Campus-Specific Content** – Access campus-specific news, announcements and Librarian contact information.
- **Helpful tutorials** – Get up to speed on how to use library resources, apply citation style guidelines, and more.
